Ministry Opportunity in our Community

A lady in our community is being treated for a serious eye condition and has to make monthly trips to her doctor at Duke Hospital. She is in need of a driver when she goes to receive her eye injections. If you would be willing to be added to her list of people she can call on, please call Evelyn Respass at 940-4466. She will pay for the gas in your vehicle. Thank you for your willingness to serve a fellow believer in need.

Happy Two Year Anniversary as our Pastor, Greg Barmer and wife Lisa Barmer.

We are truly blessed to have you both working with us in ministry here at First Baptist Washington.

Looking forward to many more years of serving God and ministering to the needs in our community together.

We love you, both! And continue to pray for you as we follow God wherever He leads us.

You may remember our Swazi friends, Pastor Douglas and his wife Simpiwe who were here last fall.

Their son, Fezo has been deeply impacted by our ministry in Swaziland and especially that of Hunter Johnson and the medical teams. For many years now it has been his goal to attend medical school. Fezo has just completed high school and graduated with the 2nd highest scores in the nation! We are very proud of him! We'd like to bless Fezo with a graduation gift and per Wayne Myers, one of the things most useful to him in his studies would be a smart phone. If you'd like to contribute to that purchase, please designate a gift to Fezo. Any excess over the cost of a phone will be used for his studies.
